

mother of one, survival twin
abused by family for not
for seeking help
to protect
my son & myself
from our abuser
faced greater
abuse by judge
and lawyers
also reports all for
reporting the truth
to governmental
authorities

seeking protection as a
woman against violence
myself & my son, not
knowing that we were
falling into a trap a web
of lies & deception
where my son & I
lost freedom of speech

Freedom to speak
and our opinions
depriving my son & I
to communicate
from our hearts

Silence
painful silence
to even tell what has
happened to my son & I
being separated from
each other per court order
